## Licensed Software Download

**(Please Read!)**

- **The links below allow you to immediately download your software and obtain accompanying documentation.** For your protection (since all downloaded software is pre-registered to you) it is important for you to keep your order's "Transaction Code" (shown above) secret since it can be used to redisplay this page on our server at any time!
- To insure your exclusive access to your own copy of the software, the software download links below will remain valid for ten minutes only from the time of their display, and may only be used one time. Any software download must be initiated before the link expires, though once started, the download may continue as long as necessary. You may extend this time, and get as many additional downloads as you may need, by "refreshing" this page with your web browser as many times as needed. Each "refresh" creates new valid links that may be used to start additional downloads within ten minutes. (If you are wondering why we have gone to these extremes, [please see this page.](#))
- This page may also be used to review your download history, and verify or edit your current eMail address and sending preferences.
